

Electrical & Computer Engineering Term 7 Course Choices

The following is a **tentative** list of the courses and instructors for Term 7 in Spring 2011. You can find course descriptions for these courses in the calendar at <http://www.mun.ca/regoff/calendar/sectionNo=ENGI-0605>. You are encouraged to review your complementary studies courses using the self audit form at <http://www.engr.mun.ca/undergrad/compstudies/CompStudiesAudit-2012.pdf>.

EE

#	Title	Instructor
7803	EE Design Project	R. Collett
7824	Intro. to Digital Signal Processing	T.B.A.
7858	Industrial Controls & Instrumentation	L. Li
<i>Choose two from</i>		
7844	Power System Analysis	B. Jeyasurya
7855	Communications Electronics	cancelled
7856	Renewable Energy Systems	T. Iqbal
7944	Robotics & Automation	G. Mann
8680	Process Control and Instrumentation	cancelled
8879	Digital Communications	T.B.A.

CoE

#	Title	Instructor
7804	CoE Design Project	R. Venkatesan
7824	Intro. to Digital Signal Processing	T.B.A.
7894	Concurrent Programming	D. Peters
<i>Choose two from</i>		
7855	Communications Electronics	cancelled
7858	Industrial Controls & Instrumentation	L. Li
7854	Industrial Machine Vision	N. Krouglicof
7944	Robotics & Automation	G. Mann
8680	Process Control and Instrumentation	cancelled
8863	Intro. to LSI Design	L. Zhang
8879	Digital Communications	T.B.A.
